Data Protection Canongate Kirk publishes a monthly newsletter which contains the Parish Register – a list of weddings, baptisms and funerals conducted by the Minister of Canongate Kirk. The newsletter is distributed to the congregation and is also available on our website. The newsletter lists the name of the baby, date of baptism and where they were baptised. The baby's name will also be added to our mailing list so we can contact you with occasional emails about family-centred events in the church.

YES, we give permission for our child's name to appear in the newsletter and we are happy to receive occasional emails about family-centred events taking place in the church.

NO, we do not give permission for our child's name to appear in the newsletter.
(Please contact the office.)

IMPORTANT: You should be aware that all Canongate Kirk services are currently livestreamed on the internet. Please sign and return the form to acknowledge your acceptance that the baptism will be part of the service and therefore also livestreamed.
